(See Carben's Statement of Material Facts in support of its Summary Judgment Motion).

See Carben's Statement of Material Facts in support of its own Summary Judgment Motion.

Carben Defendants' Response: Carben has no personal knowledge to admit or deny this statement. Undisputed that Mr. Derasmo testified to this effect.

44. The I.D. badges issued to Plaintiffs stated "County Wide Construction" because CW Construction held the contract with Noble Construction. (Derasmo Dep. 56:6-15).

Plaintiffs' Response: Undisputed that this is Mr. Derasmo's testimony.

Carben Defendants' Response: The reasons why the badges stated County Wide's name is disputed because each of the Plaintiffs claimed to have been employed by "County Wide" or "Country Wide" (sic). See Carben's Statement of Material Facts in support of its own Summary Judgment Motion.

45. However, Plaintiffs did not work for County Wide. (Derasmo Dep. 56:11-14).

Carben Defendants' Response: Disputed. Mr. Browning testified that he had no involvement in obtaining any ID badges. (Browning Dep. 36:14-37:21) Also, Mr. Derasmo testified he did not know who would be issued a badge because that was done on the jobsite. (Derasmo Dep. 55:7-24). Mr. Derasmo testified that he did not know how many badges Mr. Browning allegedly signed up for, and he did not know the names of the individuals for whom Mr. Browning was allegedly purchasing badges. (Derasmo Dep., 60:7-10) Overall, Carben disputes that Mr. Derasmo’s unsupported and vague testimony on these “badges” is material.

47. County-Wide never maintained “sign-in sheets” at the Projects and never tracked the hours worked by the workers, including Plaintiffs. (Derasmo Dep. 57:16-58:3).

Plaintiffs' Response: Disputed (Exhibit G to Errington Affirmation).

Carben Defendants' Response: Carben has no personal knowledge to admit or deny this statement. Undisputed that Mr. Derasmo testified to this fact.

Carben Defendants' Response: Undisputed.

49. Pursuant to the 120 Water Street Subcontract and 70 Schermerhorn Street Subcontract, Carben received payment from County-Wide for “work in place” meaning that Carben received payment for completed work. (Derasmo Dep. 50:19-51:19).

Plaintiffs' Response: Undisputed.

Carben Defendants' Response: Undisputed that Mr. Derasmo testified to this fact. Disputed that Carben was paid in full for its work on this Project. It is further disputed that any issue of payment between Carben and County Wide is “material”.

50. Carben would bill County-Wide after completing a certain portion of the work and County-Wide would in turn remit payment to Carben for that completed work. (Derasmo Dep. 52:5-14).

Plaintiffs' Response: Undisputed that this was Mr. Derasmo's testimony.

Carben Defendants' Response: Undisputed that Mr. Derasmo testified to this effect. To the extent there is an ongoing separate dispute between Carben and County Wide on payments for this Project, this fact is disputed. However, Carben submits that this statement is not “material”.

51. Browning determined the pricing for the projects, which was inclusive of materials, labor and equipment. (Derasmo Dep. 52:19-53:17).

Plaintiffs' Response: Undisputed.

Carben Defendants' Response: Disputed as this is not the subject of Mr. Derasmo's testimony. However, this fact is not “material”.

52. County-Wide was unaware of the cost of labor, as the pricing provided by Carben was not broken down to specify those costs. (Derasmo Dep. 53:18-20).

Plaintiffs' Response: Undisputed that this is Mr. Derasmo's testimony.

Carben Defendants' Response: Disputed. Mr. Derasmo testified simply that he did not ask for a breakdown of the contract price with Carben. He did not testify that he was unaware of the costs of labor.

53. County-Wide paid Carben in full for all work performed at the Projects. (Derasmo Decl., ¶ 32).

Plaintiffs' Response: Undisputed that this is Mr. Derasmo's testimony.

Carben Defendants' Response: Disputed. Payment on the 120 Water St. Project between Carben and County Wide is the subject of a separate litigation bearing Index Number 651799/21 in the New York Supreme Court. However, this fact is not material.

54. Martin Peru ("Peru") was employed by Batrume as its foreman on the 120 Water Street Project. (LoGiudice Dep. 38:22-39:12, 39:13-17; Derasmo Dep. 64:4-10; Rodriguez Dep.⁸ 17:3-11).

Plaintiffs' Response: Undisputed that this is the testimony of Messrs. LoGiudice and Derasmo. Dispute that Mr. Rodriguez identified "Batrume" as "Peru's" employer.

Carben Defendants' Response: Disputed. Mr. Rodriguez testified that Mr. Peru worked for County Wide. (Rodriguez Dep., 16:16-17) Mr. Logiudice testified that "maybe" he was employed by Batrume, but Mr. Logiudice had no personal knowledge of that fact. Mr. Derasmo testified that he has "no idea" whether Martin Peru worked for Batrume. (Derasmo Dep. 65:4-7).
